The Bulls of the Bitterroot crew just wanted to take a moment to say we truly appreciate your business! We hope the bulls and heifers you have purchased in the past have represented us well. We have some new sires this year, as well as multiple opportunities to purchase half brothers. Please feel free to stop by the Sutherlin Farms Feedlot anytime if you would like to view the bulls. These bulls have been Angus 50K DNA tested to increase the accuracies of the EPDs and they are all sire verified. On the 16th of February the bulls will also be ultrasounded for carcass traits. We will also be selling a group of 50 replacement commercial heifers with NO BRANDS! . If you have any questions or would like more information please contact us. Once again, we appreciate your support and we hope to see you at the sale on Saturday March 5, 2022!
